Scheduled team competition times will be determined by order of registration receipt. The last team registered is the first team on the floor. Main floor is a spring mat. A warm up schedule will also be provided. Warm ups are in a second gym and are not on the main competition floor.

Rec teams will follow US Finals/USASF rules with the following adjustments:

C and D will follow rules up to and including L3

A and B teams will follow rules up to and including L4 and are allowed one single twist in the running tumbling pass.

High School teams will follow NFHS rules. Please check these rules as they have changed.

The total # of points any team can earn for tumbling will be 10. As always, there are other categories in which teams will be able to make up points.

Deductions and penalties are assessed by the judges. Ties will be broken on the score of the head judge. All judges' decisions are final.

Total routine time limit is 2:30 minutes. There is not a minimum time requirement for routines. We will have a timer and any routine going over 2:40 will receive a deduction. Timing begins with the first motion, movement or music and will end with the last movement or end of music.

You must provide your own spotters. There will be a deduction if a spotter has to touch a competitor.

Sideline coaching is NOT acceptable. This includes mouthing the words and making motions.

You must bring your own CD with your music. You will be responsible for the timing of playing your music. It is suggested you bring a backup CD.

We will be breaking age groups into 2 divisions, large and small squads, permitting there are enough teams to do so. Should participation in a specific division not result in a quality competition, we reserve the right to combine teams within the same age group without prior notice.

There will be a jumpathon and tumble off for all squad ages during the lunch break. Cost of jumpathon and tumble off is \$5.00 per participant.

New this year! We will be having a coach's jump off and tumble off! The cost is \$5.00 per event for each coach . It will be held directly after the conclusion of the last competitor. The Daddy Jump Off (\$5.00 per participant) will follow the coach's tumble off.
